JASANI JEWELLERY

SINCE 1966

WHO ARE WE

Jasani Jewellery is a long-established jewellery manufacturing house with a stable presence in international markets.

With a strong presence across India and international markets including the Middle East, United States, Canada, Europe, Australia, and Far East, we proudly serve retailers and wholesale partners worldwide through our offices in Mumbai and the USA.

OUR LEGACY

With humble beginnings, our journey has been guided by the enduring values of Honesty, Integrity, Trust and Reliability.

Over the decades, we have built a strong legacy rooted in consistent Craftsmanship, Precision, & Meaningful partnerships that have grown into lasting relationships across global markets.

As we continue to evolve, we remain committed to responsible and sustainable practices that reflect both our heritage and our vision for the future.

OUR PHILOSOPHY

At Jasani Jewellery, excellence lies in doing the fundamentals exceptionally well—every time.

Our approach is guided by:

- Quality as a system, not a claim
- Responsible and ethical business conduct
- Growth built patiently and sustainably

This philosophy allows us to serve global markets with confidence and continuity.
